GROUP VOLUNTEER PROJECTS / EAGLE SCOUT PROJECTS
INFORMATION SHEET

Please fill out the attached and return to Ashleig O'Connor, the City's Volunteer & Event Services Coordinator. Email the form to ashleigho@wjordan.com, fax it to the number above, or mail it to the address above. By answering the following, we are attempting to match you with the best project possible.

Personnel

Are you looking for a project to complete by yourself or would it involve others from your community? \_\_\_\_\_

How many will be in your work group? \_\_\_\_\_

What are their ages? \_\_\_\_\_

Funding

Unfortunately, we do not have funds to erect monuments or make improvements solely for special projects; however, there are options to consider 1) you could provide a service that would normally be completed by our maintenance staff, such as painting (under supervision), removing trash from the Jordan River Trail, etc. 2) you could make fundraising part of the project. For example, we had an Eagle Scout project which consisted of the installation of a new flagpole at a park. The Eagle Scout raised the money, purchased the materials and installed the flagpole.

Schedule

When are you planning to start this project and when does it need to be completed? \_\_\_\_\_

Interest

Do you have an interest in any particular subject or project?
Are you interested in: Safety? Cleaning up your community? Assisting any particular group - such as the elderly, food bank? etc. \_\_\_\_\_

Skills

Are there any special skills you have which would be beneficial in completing your project? \_\_\_\_\_
