

# Green Waste Collection Begins the first Monday in April

**Program begins on the first Monday collection in April and ends with the last Friday collection in November.**

**Green** yard waste containers are collected once weekly on a **seasonal basis** on your normal collection day.

- All materials should fall freely from the container when dumped, please do not overload.
- Lid of the cart must close completely; branches should not stick out.
- Place cart curbside by 6:30 a.m. on your scheduled collection day during seasonal periods April through November.
- Place containers 2-3 feet apart.

**In order to operate a successful green waste program, proper use of this container is mandatory. If your can is found with contamination, the can may be removed.**

Should you have any questions, please contact the Public Works Department.

**Keep it  
Green!**

Place only the following in the green waste container:

- loose grass clippings
- leaves
