Paid for by the City of West Jordan

June 2016

MAYOR'S MESSAGE

We are fortunate to live in a free country where we can each pursue our dreams. That freedom comes at a cost, which we were reminded of during our recent Memorial

Day holiday. The City holds many different events throughout the year, but few touch my heart as much as our Memorial Day Tribute where we recently commemorated those service men and women who have paid the ultimate price for our freedoms and our upcoming Independence Day Celebration where we will celebrate our nation's birth.

These events and many others take place in our beautiful Veterans Memorial Park behind City Hall. If you haven't visited this park, I invite you to come enjoy almost 100 acres of grass, trees, playgrounds, pavilions, tennis courts, ball fields, an adaptive ballfield, arena, and more. There's even a Military Services Monument that includes a 69' reflecting pond, a mural depicting the conflicts from the Revolutionary War through the War in Iraq, and flags representing the different branches of the military.

The Salt Lake County Library headquarters is also located adjacent to Veterans Memorial Park. We are happy to partner with them on their Summer Reading Kick Off Party Saturday, June 4 from 10 a.m.-2 p.m. This event is a celebration of

children and encourages them to discover and learn through books. City services are also spotlighted at this event. Kids can come check out fire engines, watch a police K-9 demonstration and more. It's also where kids sign up for our Mutton Bustin' Challenge and the Princess Contest, which take place each night at our Western Stampede Rodeo, July 1, 2 and 4.

The Stampede has been a community tradition since 1954 and is packed full of action and family fun. My family and I have been going for over 40 years, and last year's show was one of the best. Cervi Championship Rodeo will be back again this year and is nationally known for their bucking stock. If you haven't been to a rodeo before, I invite you to come see what it's all about. Other Fourth of July activities include our parade, movie in the park, band concert, fireworks finale, and the carnival will be back for three days of fun. My thanks to the many great community partners who help make the Western Stampede possible.

We are lucky to have so many businesses that give back to our community. One of these businesses is Stevens-Henager College, which provides two "Mayor's Choice" scholarships: one for \$15,000 to use toward an associate's degree and the other for \$25,000 toward a bachelor's degree. They will also help you finish your GED at no cost to you. If you are interested in applying for the scholarship, email me at mayoroffice@wjordan.com. (More details in adjacent article.)

Mayor Partners with Stevens-Henager College to Award Two Scholarships Worth up to \$25,000

As part of the ongoing effort to make life better for West Jordan residents, Mayor Kim Rolfe is pleased to sponsor two special Mayor's Scholarships to Stevens-Henager College, Salt Lake/Murray campus. One scholarship provides \$15,000 toward an associate's degree, and the other provides \$25,000 toward a bachelor's degree.

"I invite any interested West Jordan resident or employee to apply for either scholarship, regardless of your age," said Mayor Rolfe. "You just need to write an essay on why West Jordan is the best city to live or work in. I'll also consider each applicant's financial need, community service, and extracurricular activities.

I look forward to awarding these two scholarships to deserving applicants."

As a nonprofit institution, Stevens-Henager College makes the Mayor's Scholarship available through its Good Neighbor Initiative. Associate's, bachelor's, and master's degrees are available in healthcare, business, technology and graphic arts. Applicants who don't receive a Mayor's Scholarship are welcome to apply for additional scholarships and financial aid.

For more details and to apply for Mayor Kim Rolfe's scholarships, call 801-281-7632. The application deadline is Aug. 1, 2016. Stevens-Henager College is located at 383 West Vine Street in Murray.

Neighborhood Watch Help Keep Your Neighborhood Safe

Ever consider starting a neighborhood watch in your neighborhood? Since 1972, the Neighborhood Watch Program (housed within the National Sheriff's Association) has worked to unite law enforcement agencies and individual citizens in a nation-wide effort to reduce crime and improve local communities.

The success of the program has established Neighborhood Watch as the nation's premier crime prevention and community mobilization program. Visible signs of the program can be seen throughout West Jordan. Neighborhood Watch is a great way to get to know your neighbors and learn crime prevention tips on how to secure your home and property. You will also learn how and when to report crimes or suspicious activity in your neighborhood.

If you would like more information on how to start this program in YOUR neighborhood, contact: Christie Jacobs 801-256-2032 or christiej@wjordan.com or Barbara Tatangelo 801-256-2033 or barbarat@wjordan.com.

Arbor Day Foundation Names West Jordan Tree City USA

West Jordan was recently named a 2015 Tree City USA by the Arbor Day Foundation in honor of its commitment to effective urban forest management. West Jordan achieved Tree City USA recognition by meeting the program's four requirements: a tree board or department, a tree-care ordinance, an annual community forestry budget of at least \$2 per capita

and an Arbor Day observance and proclamation.

Trees provide multiple benefits to a community when properly planted and maintained. They help to improve the visual appeal of a neighborhood, increase property values, reduce home cooling costs, remove air pollutants and provide wildlife habitat, among many other benefits.

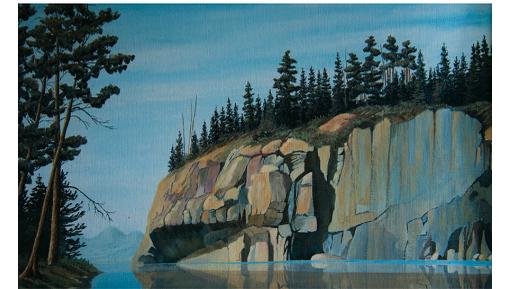

Thanks to the many Comcast Cares Day volunteers who helped plant 200 trees!

The Creative Works of Cliff Treglown on Display at the Schorr Gallery

Clifton Treglown, long-time West Jordan resident and former city councilman, is the next artist exhibiting his work at the Schorr Gallery. His work includes oil painted landscapes, still-life and abstracts, as well as wood carvings, ceramics and silver jewelry.

"After I retired as an art teacher from Cyprus High School, I crafted large children's rocking horses and sold them in Park City. I also made wood bowls carved from tree trunks," he said. "Four hundred bowls later we moved from the family home I had built, into to our condo. I'm so grateful my wife allows me to use the bedroom to continue to create, although I miss the room of our house. I have over 100 paintings hung and stacked all over the place."

As a young teenager in high school, he didn't take any art classes. It wasn't until he served an LDS mission to Samoa, that his appreciation of art flourished. He was very impressed with the creative abilities of the Samoan people. He loved their wood carvings, their paintings, their culture.

When he returned home, he attended college, took classes in painting, pottery and metal-smithing making jewelry, and the rest is history.

"I have always enjoyed creating things with my hands," said Treglown. "I hope to continue to as long as I can. I love to share and sell my work and hope that all who come to the Gallery will enjoy seeing the things I love to do."

Treglown and his wife have been residents of West Jordan for over 45 years and this year will mark their 60th wedding anniversary.

The exhibit will run until July 1. The Schorr Gallery is located on the third floor of West Jordan City Hall, and is open from 8 a.m. to 5 p.m., Monday- Friday.

7000 SOUTH CONSTRUCTION

7000 South continues to be reduced to one lane in each direction between 1300 West and the Jordan River as crews upgrade utilities. Work is scheduled to be completed by late June. Drivers should expect delays during morning and evening commutes and use alternate routes when possible.

The Jordan River Trail near 7000 South is now open. A new pedestrian bridge is in place, and a portion of the trail has been repaved.

Updated information regarding this and other City projects is available through the Road Alerts page on West Jordan's website, www.wjordan.com.

Sign up for the next Citizen Police Academy

Attendees will also have the chance to try body cameras and learn about the pros and cons of this tool.

There is no charge to enroll, but applicants must pass a background check and commit to attend the 13-week course. The academy is held Thursday nights from 6-9 p.m. in the Police Department Community Room, 8040 S. Redwood Road. Participants must be 18 years or older and in good health.
