UTILITY APPLICATION AGREEMENT

I hereby apply and agree to receive the utility services rendered by the City of West Jordan. I agree to abide by the City's utility service regulations detailed in the 2009 City Code. I agree to pay all charges, fees, interest, and penalties incurred in connection with the City's rendering such services. I further agree that one or more of these utility services, *including water service*, may be discontinued when, after notice to me by regular mail, there remains an unpaid balance for any of the utility services furnished by the City.

I understand that utility services will not be commenced or continued at a particular service location if I or my tenant/occupant at that location is indebted to the City for utility services. If a deposit is required and collected, I consent that upon cancellation of this agreement that all accrued charges may be taken from such deposit, the balance of which shall be refunded to me. I understand it is my responsibility to notify the City of any change in occupancy status and/or billing address.

I understand that before service is commenced or restored I agree to pay all unpaid utility service fees, late charges equal to one and one half percent (1.5%) per month of the unpaid balance which is overdue 30 days or more, including all disconnection/reconnection costs and reasonable attorney fees incurred to enforce this agreement. I understand if the unpaid account balance is referred to a third party collection agency I will be responsible for collection fees up to an amount equal to the maximum allowed by the State of Utah.

I agree to the utility application agreement set forth above. **Signature:** _____
